# HELLO!

*"Calligraphy is a kind of music  
not for the ears, but for the eyes."  
- V. Lazursky*

Hi! I'm Sherri, a modern calligrapher who loves the copperplate traditional script and enjoys mixing both styles together for a timeless, romantic touch.

It's all in the details! As a professional calligrapher, I am truly passionate about intentional + thoughtful details, and love designing personalized touches for your wedding or special event.
